More Details About Our Noted Speaker:

**Chairman's Brunch Honored Speaker Maria
Siemionow, MD, PhD, DSc is a renowned**

Polish surgeon at the Cleveland Clinic. She gained public notice in December, 2008, when she led a team of six surgeons in a 22-hour surgery, performing the first face transplant in the United States. The patient was a victim of domestic violence

Dr. Siemionow earned her medical degree from the Poznan Medical Academy in 1974, after which she completed her residency in orthopedics, and then earned a PhD in microsurgery. In 1985, she completed a hand surgery fellowship at the Christine Kleinert Institute for Hand and Microsurgery in Louisville, KY.

Dr. Siemionow is the Director of Plastic Surgery Research and Head of Microsurgical Training for Cleveland Clinic's Department of Plastic Surgery.
